SABBATH SLUGGING.
Adam Decker, a Lake Township Youth,
Founded to a Fight by Charles
Smith--The Matter now
in Court.
This morning Adam Decker, a Lake
township farmer, drove to town. He
was a sorry sight. Both eyes were
black as anthracite coal, an ear was
smashed, his nose battered and his face
bruised. When THE SENTINEL repre-
sentative saw him visions of a terrific cy-
clone flashed up in sensational array, but
Mr. Decker spoiled all anticipations by
saying Charley Smith did it with his
little fist. The young man came to-
gether yesterday and had a bloody fight,
in which Decker was knocked cold. He
filed an affidavit against Smith, who is a
son of the Lake township trustee, and
Justice France issued a warrant for his
arrest. There is much bad blood in
Lake township and more trouble is ex-
pected. Mr. Decker says he is not
through yet, and looked quite vicious
when he said it.
A BIG DROP.
The East-Bound Freight Shipments Show
a Heavy Decrease--The New Rate
Tariff Creates a Kick.
The shipments of flour, grain and pro-
visions from Chicago to the east dur-
ing the week ending Saturday, July
5, amounted to 59,733 tons, against
59,344 tons during the preceding week,
a decrease of 18,591 tons. The ship-
ments of flour increased 289 tons, those
of grain decreased 16,072 tons, and
those of provisions decreased 3,806 tons.
The percentages were as follows:
Baltimore and Ohio, 10.2 Chicago and
Atlantic, 14.3; Chicago and Grand
Trunk, 16.2; Chicago, St. Louis and
Pacific, 11.6; Lake Shore and Michi-
gan Southern, 12.3; Michigan Central,
9.6; New York, Chicago and St. Louis,
9.1; Pittsburg, Fort Wayne and Chicago,
16.7.
The next move that will effect the
shipments of east-bound freight will be
caused by the announcement of the new
percentages just sent to Commissioner
Fink by the trunk line arbitrators.
These figures differ materially from those
recommended by the commission, and
may differ greatly from those desired by
several of the lines. It is known that
one of the roads threaten to kick if the
new award is not commensurate with the
amount of business it has been carrying
for some months past. There is, there-
fore, a good prospect that one of the
lines leading to the east will secede from
the pool if its demands have not been
allowed.
ROBINSON ON THE ROAD.
The Showmen's Circus Planned in the
Summit City--The Great Street Pa-
rade and Other At-
tractions.
Saturday night John Robinson's circus
came to the city and pitched its tent on
the Hamilton field, south of the railroad.
The canvas covers about three acres of
ground and presents a huge appearance.
The tents were visited by thousands of
people yesterday, who sought eagerly
for a glance at the sacred cow and wild
man of Madagascar.
There were excursions on to-day the
coming into Fort Wayne to-day and
quite a number of strangers are in the
city. The rural community is also re-
presented and the windy vendors of red
lemonade and red-hot ginger bread did a
land office business, as they caught the
eye and appetite of country belles. At 9
o'clock this morning the great circus pa-
geant started from the grounds, north on
Lafayette street to Columbia, pro-
ceeded west on Columbia to Calhoun,
along which it passed and was viewed by
thousands of people. Proud mammae
danced eager babies in the air, frisky
maiden mashed the host looking circus
men and the kids gave the ponies an
ovation. This afternoon a fine perfor-
mance was given, which a SENTINEL rep-
resentative looked on for a while, and to-
night a great show is promised.

CINCINNATI, July 5.—During a drunk row in the eastern portion of the city yesterday, Louis Koeh was shot, probably fatally, by Frank Sweeney, who was arrested and jailed.

A Special Invitation.
We especially invite a trial by all those sufferers from kidney and liver complaints who have failed to obtain relief from other remedies and from doctors. Nature's great remedy, Kidney Wort, has effected cures in many obstinate cases. It acts at once on the kidneys, liver and bowels, cleansing the system of all poisonous humors and restoring a healthy condition of these important organs. Do not be discouraged, but try it.

PARIS, July 5.—Li Fong Pao, the Chinese minister, had a conference with Perry. He disavowed any hostile intention of the Chinese in the affair at Langson, which he declared was entirely without Li Hung Chang's knowledge.

Cured My Wife's Weakness
From Evansville, Ind., the home of our correspondent, Mr. John R. Patterson, comes the following: "Samaritan Nervine cured my wife of a case of female weakness." It is an extract from Mr. Patterson's letter. \$1.50.

WILMINGTON, July 5.—E. L. Chase won the three-mile shell race here yesterday, beating John Galligan's time 10 minutes and 30 seconds.

A Hearty Shout.
BOUND BROOK, N. J.,
April 2, 1893.

You advised placing Alcock's Poreous plasters, in dyspepsia, on the pit of the stomach; in acute colic, on the spleen; in torpid liver, over that organ; but I really think you should also recommend that one or two plasters be put over the kidneys. They stimulate, strengthen and act as powerful diuretics, thus casting out many poisonous acids and salts. I have had fever and ague. All remedies I took produced little or no effect until I put an Alcock's Poreous plaster over each kidney; their action being more than doubled, the malaria was quickly washed away. I have also had several attacks of rheumatism and two of gout, and by applying the plasters over the local pain and also over the kidneys, I again found your plasters wonderfully efficacious.

H. K. THOMAS.

Beware of Imitations. "Alcock's" is the only genuine poreous plaster.

CINCINNATI, July 5.—At Reading, a suburb, yesterday, Benjamin Astholoff, aged fifteen, while passing along the street, deliberately shot and seriously wounded a young boy named Anthony A. Dunker. The shooting was done from pure maliciousness.

HOP PLASTER

This porous plaster is famous for the quick relief it affords in all cases of rheumatism, neuralgia, sciatica, lumbago, etc. It is made of pure Hop and is applied to the affected part.
